

Macquarie Tri-Party Agreement

Sponsored Merchant Agreement

This Sponsored Merchant Agreement comprises:

- (a) Part A (Acquirer Terms): being terms that take effect as a tripartite contract between the sponsored merchant (you), IntegraPay Pty Ltd ABN 63 135 196 397, IntegraPay of 2 Clunies Ross Court, Eight Mile Plains, QLD 4113 (Facilitator) and Macquarie Bank Limited ABN 46 008 583 542, Macquarie Business Banking of 1 Shelley Street Sydney NSW 2000 (Macquarie, we or us), being the bank that will acquire merchant services transactions, card transactions, BPAY transactions and/or direct debit transactions (transactions) from customers of your products and services in connection with the payment services that you receive from the Facilitator; and
- (b) Part B (Facilitator Terms): being terms that govern the supply of sponsored merchant payment services, and associated products and services, from the Facilitator to you. These take effect as a contract between you and the Facilitator, however you acknowledge that Macquarie is a beneficiary of the rights enjoyed by and obligations owed to the Facilitator under them and may enforce any of those terms in its own right.

You must accept and comply with this Sponsored Merchant Agreement. If you do not, then you must not proceed to use the payment services.

Part A: Acquirer Terms

2. Status of terms

As a sponsored merchant acquiring payment services from the Facilitator, you will have the ability to receive payments from customers of your products and services (customers) which are funded through credit or debit card facilities. In certain circumstances, the operators of those card schemes (for example, Visa International and MasterCard International and/or their affiliates) (Card Schemes) may require that you enter into a direct contractual relationship with the bank that acquires those transactions, and which is a member of the schemes administered by those Card Schemes. The terms set out in this Part A (Acquirer Terms) are entered into pursuant to such requirements and create a tripartite contractual relationship between you, the Facilitator and Macquarie.

While these Acquirer Terms establish a direct contractual relationship between you and Macquarie, please note that they do not make Macquarie responsible for the payment services you receive, product and service support or any related services, which are supplied to you directly by the Facilitator and are governed by Part B (Facilitator Terms).

3. Commencement and term

By supplying an application to us (through the Facilitator or otherwise) or submitting a transaction request to the Facilitator, you are deemed to have read, understood and accept the terms of this Sponsored Merchant Agreement and are making a standing offer to us to enter into it and comply fully with its terms. The Sponsored Merchant Agreement:

- (a) commences when you supply an application to us (through the Facilitator or otherwise) or submit a transaction request to the Facilitator, provided that Macquarie's obligations do not commence until we have notified your Payment Facilitator that we have accepted your application; and
- (b) remain in effect for as long as you continue to use the payment services, unless earlier terminated in accordance with clause 4 below.

Without limiting the above, you acknowledge that we have no obligation to accept your standing offer as contemplated in paragraph (a), on-board you or (until we have accepted your application and completed our on-boarding process) settle any funds in respect of transactions submitted by you.

4. Ending these Terms

These Acquirer Terms will terminate at the same time as the Facilitator Terms under which you receive payment services from the Facilitator terminate. Also, we may terminate these Acquirer Terms:

if you breach, or fail to comply with, any term of this Sponsored Merchant Agreement ; and

for convenience, at any time on written notice to you (and, where we do so, we will use reasonable endeavours to give you prior notice, although you acknowledge this will not always be reasonably possible or practicable.)

You may terminate these Acquirer Terms by providing us 30 days' prior written notice of such termination.

If these Acquirer Terms are terminated, the Facilitator Terms are automatically terminated at the same time and you must immediately cease using the payment services from the effective time of such termination, provided that these Acquirer Terms will survive and continue to apply to you notwithstanding such termination. This will not prevent you from receiving payment services through the Facilitator through separate arrangements made by you with another member of the schemes administered by the Card Schemes.

5. Your Commitments

- (a) You must ensure that, and it is an essential term of these Acquirer Terms that, you comply in all respects with all requirements, obligations, limitations, restrictions and conditions in any rules and requirements issued from time to time by the Card Schemes that regulate participants in the respective Card Schemes (Scheme Rules) in so far as they relate to your use of the payment services you receive from the Facilitator to accept payments from your customers. It is your obligation to familiarise yourself with any Scheme Rules, including as may be updated, amended or varied during the period in which you use the payment services.
- (b) You acknowledge that any representations, undertakings and warranties you make to the Facilitator under the Facilitator Terms are also made to and for the benefit of Macquarie. In addition to those representations and warranties, you warrant to us and the Facilitator that:

- (c) You must not use the payment services supplied to you under the Facilitator Terms in any jurisdiction outside Australia.

6. Our liability to you

Macquarie expressly excludes all representations or warranties, conditions or guarantees, express or implied, in fact or at law, with respect to such services or the subject matter of this Sponsored Merchant Agreement, including in relation to title, merchantability, fitness for purpose and non-infringement. Where such terms are statutorily implied and cannot be excluded, Macquarie's liability is limited to the fullest legally permissible extent.

and in no circumstances will Macquarie have any liability to you in relation to the payment services, products or services of the Facilitator or the Facilitator's performance or non-performance of any of its obligations to you under the Facilitator Terms.

- (d) Subject to any clause to the contrary (including any losses specifically excluded), to the maximum extent permitted by applicable law, we exclude all liability to you in connection with these Acquirer Terms. Where, for any reason, such liability cannot be excluded, then our maximum aggregate liability to you in connection with these Acquirer Terms or their subject matter will not exceed the amount of \$500.
- (e) The limitations and exclusion of liability in this clause 5 apply regardless of the basis on which such liability arises, whether in contract, tort (including negligence), under statute, indemnity or otherwise) or under any other theory of liability. They also apply whether or not

the relevant loss or damage was foreseeable and whether or not Macquarie had been advised of the possibility of the loss or damage.

- B. Macquarie may, but is not obliged to accept any further Non-Authenticated Transactions or Incomplete Authentication Transactions from you for processing.

(g) If you send a Failed Authentication Transaction, Macquarie will reject it and it will not be processed.

(h) You acknowledge and agree that:

22. Definitions

Unless the context indicates otherwise, capitalised terms used in these Facilitator Terms have the following meanings:

- (a) **Authentication** means the process whereby the identity of a cardholder is authenticated using the Authentication Procedures. 'Authenticate', 'authenticated' and 'authenticating' have similar meanings.
- (b) **Authentication Procedures** means the procedures identified by Macquarie as being those to be followed when authenticating the identity of a cardholder who wishes to use their nominated card to purchase goods or services from you over the payment services that you receive from the Facilitator.
- (c) **Authentication Request** means a request to authenticate a proposed sales transaction using the Authentication Procedures.
- (d) **Authorisation** means, in respect of a transaction, confirmation by Macquarie that at the time at which Authorisation is given, the card number exists and is valid, there are sufficient funds available in the account being accessed to cover that transaction and that the card has not been reported stolen or lost at the time of the sales transaction.

- (e) **Chargeback** means the reversal of a sales transaction to the you or the Facilitator (i.e. a transaction returned by Macquarie or the relevant card issuer in accordance with the applicable Card Scheme Rules or other applicable rules governing the transaction)
- (f) **Data Security Standards** means the data security standards mandated by the Card Schemes for the protection of cardholder details and transaction information (including the Payment Card Industry Data Security Standards ('**PCI-DSS**' and the Payment Application Data Security Standard ('**PA-DSS**')), issued by the Payment Card Industry Security Standards Council, as amended from time to time), and any additional standards of which Macquarie or the Payment Facilitator advises from time to time.

PCI-DSS provides a set of comprehensive requirements for enhancing payment account data security and forms industry best practice for any entity that stores, processes and/or transmits cardholder data. PCI-DSS requirements apply to all merchants that store, process or transmit cardholder data, and apply to all system components included in, or connected to, the cardholder data environment. PCI-DSS sets forth 12 high-level standards to ensure that payment businesses maintain the confidentiality and integrity of sensitive account and transaction data. The standards cover the entire transaction cycle, focusing on key areas such as access control, authentication, firewalls, virus protection, patch management, data disposal, encryption and physical security.

- (g) **Failed Authentication Transaction** means a transaction which could not be authenticated using the Authentication Procedures because the cardholder used an incorrect Personal Identifier or the transaction was denied by the relevant card issuer or the Card Scheme's computer systems.
- (h) **Incomplete Authentication Transaction** means a card transaction which you or a have tried to authenticate using the Authentication Procedures, but were unable to do so because at the time you tried:
- i. the Card Scheme's computer systems, your computer systems, Macquarie's computer systems, the Facilitator's computer systems or a combination of any of them was unavailable; or
 - ii. the card issuer was registered with the Card Schemes to participate in the Authentication Procedures but:
 - A. the computer system of the card issuer was unavailable; or
 - B. the card issuer provided an invalid response or no response to an Authentication Request.
- (i) **Merchant Software** means the software which the Macquarie, a Card Scheme or the Facilitator has told you is required if you wish to participate in the Authentication Procedures.
- (j) **Non-Authenticated Transaction** means a card transaction that has not been authenticated because you did not seek Authentication using the Authentication Procedures.

- (k) **Personal Identifier** means the information provided by a cardholder to the issuer of the relevant card which enables the issuer to identify the cardholder remotely.

- (l) **Privacy Law** means all legislation and principles and industry codes or policies, relating to the collection, use, disclosure, storage and granting of access rights to Personal Information (as that term is used in the *Privacy Act 1988* (Cth)) as well as data protection, surveillance, security, direct marketing and other related matters (as amended and varied from time to time) and includes the *Privacy Act 1988* (Cth).
